Section 2812, Pub. L. 93-629, §13, Jan. 3, 1975, 88 Stat. 2152, provided that provisions of this chapter would not invalidate provisions of State and local laws, except as such laws would permit prohibited actions.

Section 2813, Pub. L. 93-629, §14, Jan. 3, 1975, 88 Stat. 2152, related to separability of provisions.

SHORT TITLE

Section 1 of Pub. L. 93-629 provided: "That this Act [enacting this chapter] may be cited as the 'Federal Noxious Weed Act of 1974'."

§ 2814. Management of undesirable plants on Federal lands

(a) Duties of agencies

Each Federal agency shall—

- (1) designate an office or person adequately trained in the management of undesirable plant species to develop and coordinate an un-

desirable plants management program for control of undesirable plants on Federal lands under the agency's jurisdiction;

- (2) establish and adequately fund an undesirable plants management program through the agency's budgetary process;

- (3) complete and implement cooperative agreements with State agencies regarding the management of undesirable plant species on Federal lands under the agency's jurisdiction; and

- (4) establish integrated management systems to control or contain undesirable plant species targeted under cooperative agreements.

(b) Environmental impact statements

In the event an environmental assessment or environmental impact statement is required under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) to implement plant control agreements, Federal agencies shall complete such assessments or statements within 1 year after the requirement for such assessment or statement is ascertained.

(c) Cooperative agreements with State agencies

(1) In general

Federal agencies, as appropriate, shall enter into cooperative agreements with State agencies to coordinate the management of undesirable plant species on Federal lands.

(2) Contents of plan

A cooperative agreement entered into pursuant to paragraph (1) shall—

- (A) prioritize and target undesirable plant species or group of species to be controlled or contained within a specific geographic area;

- (B) describe the integrated management system to be used to control or contain the targeted undesirable plant species or group of species; and

- (C) detail the means of implementing the integrated management system, define the duties of the Federal agency and the State agency in prosecuting that method, and establish a timeframe for the initiation and completion of the tasks specified in the integrated management system.

(d) Exception

A Federal agency is not required under this section to carry out programs on Federal lands unless similar programs are being implemented generally on State or private lands in the same area.

(e) Definitions

As used in this section:

(1) Cooperative agreement

The term "cooperative agreement" means a written agreement between a Federal agency and a State agency entered into pursuant to this section.

(2) Federal agency

The term "Federal agency" means a department, agency, or bureau of the Federal Government responsible for administering or managing Federal lands under its jurisdiction.
